2008 GLR – Michigan Wing Encampment in Alpena, MI

2008 Great Lakes Region-Michigan Wing Encampment
4710 Clearwater Dr
Metamora, MI 48455

26 May 2008

Dear Parents and Participants,

Congratulations on choosing our encampment. We take great pride in the fact that the GLR-MI encampment is touted as one of the best in the nation. My dedicated staff and I have put hundreds of hours into planning and preparing this year's encampment over the last year. It is our hope that the week will be both very challenging and very rewarding for you and/or your cadet. In order to help you and your cadet get the most out of this week, I would like to take some time to pass along some very important information.

When completing the GLR Form 31, which is in this application packet, we must have the last four digits of your cadet's social security number. This is an Air Force requirement, and is needed in order to obtain support from the base.

With regard to your cadet's medical history, it is very important that this information be completed as honestly as possible. If your cadet has any medical conditions or allergies, we must know about them so we can handle any problems that may come up. The same goes with prescription medications. Our medical staff is comprised of licensed EMTs and paramedics, they are capable of handling life-threatening emergencies, but we are limited in the treatment we can provide to your cadet. Please understand that CAP regulations require us to seek appropriate medical care beyond first aid and true emergency situations. If your cadet develops a serious problem, we will either transport them to Alpena General Hospital, or activate the local 911 system if deemed necessary. Please rest assured that your cadet's medical information will be safeguarded and kept confidential.

In order to help keep your cadet focused on training during the week, there are certain items that they are not allowed to have, or will have limited access to. Those items include: radios, televisions, computers, iPod/MP3 players, food, candy, pop, soda, non CAP reading material (Bibles are acceptable, and our chaplain staff is on call 24/7), weapons of any kind (including knives), illegal/illicit drugs, tobacco products/materials (matches/lighters), and cell phones. This list is not all-inclusive. Please note that all contraband that is not illegal or perishable will be stored in a secure area, and will be returned at the end of the week. Your cadet will have access to his/her cell phone during evening hours only, and at the discretion of their immediate supervisor.

Also, while we do our best to avoid it, homesickness can be a problem during the week. The best cure for homesickness is to keep your cadet busy as much as possible. But we do understand that it does happen, and I was a first-time cadet myself. If your cadet should experience homesickness, we do have our chaplains, and our experienced staff available to help get them through the week. Sometimes, the best cure is a quick call home. Your assistance and encouragement will go a long way towards helping your cadet get through the week, and sending letters is encouraged. If you want to mail your cadet a letter, I'd suggest sending it no later than Monday, and it should arrive in Alpena on Wednesday or Thursday.

Again, I thank you for your interest, and for choosing the GLR-MI wing encampment. I look forward to seeing you at graduation on 19 July.

Sincerely,

Maj Chris Freytag, CAP
Encampment Commander

Please contact Maj. Jonathan Reid, Encampment Vice Commander, at jreid@miwg.cap.gov to make arrangements.

Please make payment with one check or money order and note all family member names.

Cadets who have NOT PREVIOUSLY attended an encampment may apply for:

Basic Cadet Training: An encampment can be the most significant and worthwhile training experience of a CAP cadet's membership. Training is what the encampment is all about. The encampment curriculum is integrated with the Air Force's development program. Cadets will receive instruction in the following training blocks: **Air Force Fundamentals** (Structure & Mission of the USAF, Aerospace Power, Aerospace Heritage), **Civil Air Patrol Fundamentals** (Emergency Services, Aerospace Education, Cadet Program), **Leadership and the Cadet Ethic** (Character Development, Physical Fitness, Drill & Ceremonies, Creative Thinking), and **Aerospace Career Exploration** (Career Opportunities, Career Requirements and Counseling). In addition to the nationally mandated curriculum, all cadets will receive an orientation flight in a Civil Air Patrol aircraft, plus a glider ride. Other highlights include Repelling, Wall Climbing, Confidence Course, Cadet Party, Graduation and Awards Ceremony, and a military-style Pass-In-Review parade.

The cost for Basic Cadet Training is \$220. This includes room and board, but *does not* include transportation (carpooling is recommended). Plan to arrive at the Alpena CRTC between 0800 and 1000 on Saturday, July 12, 2007. **Anyone planning to arrive before 0800 on the 12th must gain prior approval from the Encampment Commander. Maj Chris Freytag, at cfreytag@miwg.cap.gov.**

IN ORDER TO ATTEND BASIC ENCAMPMENT, CADETS MUST HAVE COMPLETED ACHIEVEMENT 1 IN THE CAP CADET PROGRAM.

Cadets who HAVE previously attended an encampment may apply for:

1. Great Lakes Region Cadet Leadership School: This advanced course is designed to enhance the leadership skills of cadets who have previously attended an encampment. The focus of the course is teamwork, with emphasis on time management, instructional techniques, and attention to detail. Students who complete the course will receive Region Cadet Leadership School credit (meeting the requirements for the Eaker Award). Applicants for Cadet Leadership School **MUST** have completed **Achievement 5** prior to 07 July 07 in order to be eligible to attend, or have written permission from the course director. CLS students must apply by **15 June 07**, and this deadline will be strictly enforced. A homework assignment will be mailed out prior to encampment. Walk-ins will **NOT** be accepted for Cadet Leadership School.

The cost for Cadet Leadership School is the same as Basic Encampment, \$220. This fee includes room and board, *but does not* include transportation (carpooling is recommended). Additional information is available at <http://encampment.miwg.cap.gov/cls> or contact the School Director, L/Col Dix Dixon, cdixon@miwg.cap.gov

2. Model Rocketry Encampment: Now in its fifth year, the Rocketry Encampment will provide advanced aerospace education opportunities to the participants. The program will incorporate the CAPR 50-20, providing the cadet with the opportunity to earn the CAP Model Rocketry Badge. Additionally, cadets will be exposed to educational and career opportunities in the field. This activity will be held during Basic Encampment, and cadets may participate in some activities with the Basic Training Cadets, including physical fitness training, orientation flights, etc. The director will contact each cadet prior to encampment. Rocketry Encampment cadets will be expected to conform to the Encampment S.O.P. A separate graduation ceremony will be held on Friday, July 18, 2008. Senior Member AEOs are also encouraged to attend Rocketry Encampment, in order to bring additional knowledge back to local units. Interested members should contact Capt Kristine Hurd at khurd@miwg.cap.gov for more information. Because cadets attending Rocketry Encampment receive model rocket supplies, the cost for this activity is \$295.

3. Cadet Support Staff: Cadets who chose to serve on support staff work closely with the senior member staff to conduct the various activities during encampment. Cadets can serve in such areas as air operations, public affairs, and communications. Cadets **must have completed a basic encampment to be eligible**. Cadets will be assigned to a support flight with a flight commander, and work in their assigned duties during the day. Cadets must apply to the specific department head they would like to work, and will be selected by that department head. Air ops cadets apply to Maj Rick Thalmann, rthalmann@miwg.cap.gov (6 maximum), Public Affairs cadets apply to 1st Lt Mark Curtis mcurtis@miwg.cap.gov (2-3 max), and Communication cadets apply to Maj Chuck Cook, ccook@miwg.cap.gov (3-4 max). Other opportunities may become available, pay attention to wing email lists.

Senior Member training opportunities:

We are currently planning on running an SLS, CLC, and TLC during encampment. SLS/CLC will run 12-13 July, and TLC will be offered on 17-18 July. Start and end times will be determined and announced at a later date. Cost for these courses will be \$65.00, and will include meals and lodging. If you are coming to encampment for the week, there will be no additional charges. Senior training is being coordinated by Capt Jennifer Gorman, she can be reached at jgorman@miwg.cap.gov.
